## **to make Green Hearts**

*Lymington and Pennington Green Week* is working with St Mark's Church in Pennington to create a Green Week Tree, decorated with an abundance and variety of green hearts. If you can:

crochet, knit, embroider, felt, applique or other (water resistant) craft... please can you help us by making one or more green hearts to decorate a tree.

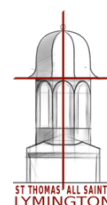

Please leave them with 2 ends 10-20cm long each, for easy attachment.

Please drop your donations off at:
